

# ACTIVE LIFESTYLES WELLNESS & PERFORMANCE CTR.

chiropractic, physical therapy & nutritional counseling

*We thank you for choosing our facility for your wellness needs. It is very important to us to deliver the best possible care to you and to all our clients. In trying to do so, we ask that you follow the plan of care given to you which includes your home exercise program and your scheduled appointments.*

*We strongly value timeliness in our office and we try to minimize waiting periods. We realize that your time is just as valuable as ours. Therefore we would like for you to respect our 24 hour cancellation policy so we can schedule appointments most efficiently.*

*We value your business and the business you provide us with your referrals. If you are satisfied with our services, we encourage you to refer a friend or a loved one or write us your testimonial. Also, if you have any suggestions on how to improve our services please let us know.*

*Our mission is to provide the best care possible through chiropractic, physical therapy, massage and supplement (vitamin)/nutritional therapy. We also make foot orthotics in this practice to help correct foot misalignments and restore normal pain free foot function. It is a comprehensive type practice and we encourage you to explore all we have to offer.*

***We strongly recommend you fill out all the forms attached and return them fully completed prior to your appointment. Unlike other offices, we are usually punctual and we therefore ask for your cooperation. Having the paperwork out of the way facilitates this. Also, we recommend you provide us with all imaging (X-Ray, MRI CT scan) reports in your possession relevant to your current complaint or have the office that has them forward it to us. If you are consulting us for nutrition, we ask for all relevant bloodwork results. If you are coming in for massage, realize that a timeframe is reserved for you. If you are late, this will cut into your massage time.***

***If you have been involved in a motor vehicle accident or in a workman's compensation accident and/or are currently or will be seeking legal help for your difficulties, please let us know prior to scheduling an appointment with us.***

*We look forward to serving you.*

*Best wishes of Health,  
Your Healthcare Team at Active Lifestyles.*

## COMPENSATION FOR SERVICES

In consideration of services rendered by the physicians at Active Lifestyles W & P ctr, which may include, but not be limited to, chiropractic care, acupuncture, physical therapy, massage therapy, strength training protocols/programs, or nutritional therapy I recognize that I am responsible for the fees associated with my care.

I understand that my insurance coverage may not cover all my charges and therefore I will be required to cover any gap created. A health insurance policy is an agreement between a policyholder and an insurance company and any disagreement regarding coverage must be determined between the parties. Active Lifestyles W& P ctr is therefore not responsible for settling policy disputes. Our office will be responsible for preparing notes, billing receipts and informal reports as needed to aid in insurance payment/reimbursement.

## BENEFITS, RISKS, ALTERNATIVES

There are many approaches to health care. You are here today seeking our expertise in the way we approach health issues and you can be assured that your case will be managed to the best of our ability. The benefits of chiropractic care, acupuncture, physical therapy, massage therapy, strength training, and nutritional therapy are well documented in research. Although there can be great benefits inherent in any of the above modalities, the patient must also be informed that there may be risks involved as well. Those risks, although in our opinion minimal, may manifest themselves in post therapy soreness/stiffness/tenderness, sprains/strains, dislocations, fractures, disc injuries, strokes, allergic reactions. Your alternatives may include; no care, allopathic care, naturopathy, acupuncture, etc. It is impossible for the doctor/ therapist to foresee every complication or risk that may be possible. You are encouraged to ask your doctor any questions you may have regarding any therapy proposed.

Although the human organism has a biological framework similar from one to the next, each individual is unique. Results may therefore vary. No guarantee of improvement or success can be made.

For pregnant females: In the event radiographs are recommended you are advised to inform the doctor and/or radiologist of the date you began your last period and/or pregnancy.

## Office Policies

**We try our best to get you well, but like any good relationship, cooperation and communication is a must. We therefore ask you:**

- 1. Respect the appointment time given to you. For cancellations, we expect a call 24 hours ahead of your scheduled appointment for Tuesday through Friday appointments and Friday before 4 pm for Monday appointments. I understand there is a missed appointment fee of \$40 if this is not respected.**
- 2. Follow the recommendations given to you with respect to exercise and activity levels.**
- 3. Communicate all concerns and problems you may encounter with treatment with your therapist/ chiropractor at the next visit.**

Witnessed by my signature below, I hereby certify that I am above the age of 18 and or emancipated, and have read the above in its entirety, recognize/agree to its content and hereby **CONSENT FOR TREATMENT** today and all future visits.

**MISSED or Cancelled Appointment (less than a 24 hour notice)                      \$40 (cannot be billed to insurance)**

I understand that this is not a complete list of all the fees associated with this office and moreover, that insurance may not cover all these fees. Furthermore, I realize that I am ultimately responsible for paying all fees associated with my treatment here at Active Lifestyles Chiropractic, regardless if insurance pays for them or not. A complete fee schedule may be provided upon request.
